

# SERV-RITE™

PORTABLE BUFFET WARMERS

## OPTIMUM SERVING TEMPERATURES, UNCOMPROMISING QUALITY

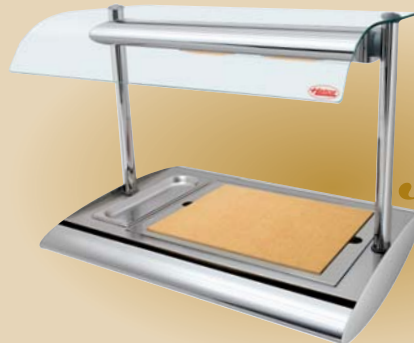

The Hatco Serv-Rite™ Portable Buffet Warmers are designed to keep prepared foods at optimum serving temperatures without affecting quality. They're perfect for self-serve buffet areas and customer serving points. All Serv-Rite Buffet Warmers feature a thermostatically controlled heated base, durable stainless steel construction, sturdy aluminum extrusions, and a 6' (1829 mm) cord with plug.

Hatco Serv-Rite Buffet Warmers are ideal for use in buffet lines and as hors d'oeuvre displays. These unique foodwarmers are available with or without overhead halogen heat lamps and glass sneeze guards. The Choice is Yours.

- All models equipped with removable utensil tray
- Digital temperature control
- SRBW and SRGBW models have top light and heat variably controlled from a base mounted dimmer switch

*SRBW-1 with halogen lights, glass sneeze guard, and 2 half size pans*

*New!*

*SRGBW-1 with new accessory carving station board and new optional single-sided sneeze guard*

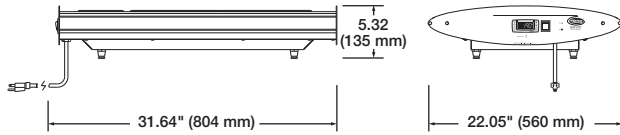

*SRGBW-1 with heated black glass inset, halogen lights and glass sneeze guard*
