## Hatco® Corporation Is Best In Class Again!

Milwaukee, WI (Oct. 9, 2017) – Hatco® Corporation, a leader in creating innovative ideas for the foodservice industry, has been voted Best In Class in *Foodservice Equipment and Supplies (FE&S)* magazine's Best In Class study for the 17<sup>th</sup> year in a row.

The Best In Class study honors the top manufacturers of foodservice equipment and supplies, voted and ranked by foodservice consultants, dealers and operators. Based on what impacts their purchasing decisions, the voters focus on performance criteria of product quality, value, design and aesthetics; service and support; sales representation; product inventory and availability; and availability of product information.

Hatco won Overall Best In Class in the Light Equipment category for Conveyor Toasters and Heat Lamps, also voted #1 by consultants, dealers and operators. Hatco also won Overall Best in Class in the Heavy Equipment category for Hot Food Holding Equipment – Drawer Warmers, which operators voted #1, as well.

Hatco Corporation and the other recipients of the Best In Class award are featured in the October 2017 issue of *Foodservice Equipment & Supplies* and are featured on the magazine's website at <http://fesmag.com/research/best-in-class-reports>.

The employees of Hatco extend their gratitude to the consultants, dealers and operators for their Best In Class nominations.
