Models: KWM18-1BR35, -1BR46, -MBR43515, -1LG47
KWM18-1BU
KWM18-2LG47, -2BR46
KWM18-1RO7

Hatco®/Krampouz® KWM18 180° Waffle Makers produce excellent-quality waffles for commercial kitchens and display cooking locations. The adjustable temperature control enables operators to prepare waffles of consistent quality from a variety of different batters or doughs. Exclusive, removable top and bottom heating element packs provide exceptional heat distribution over the entire waffle plate surface. The Makers' Waffle Easy Clean System® provides quick removal and easy cleaning of the waffle plates.

Standard features

- KWM18 models are designed with 180° hinged waffle plates for cooking waffles from batter or dough
- Available with Liège or Brussels (rectangle or round) cast iron waffle plates
- Stainless steel frame, with a cast iron griddle, is designed for quality and durability
- Innovative Easy Clean System® allows for instant removal of the waffle plates, providing ease of maintenance and increased reliability
- Adjustable Thermostatic Control(s) with a range from 120°F – 570°F (50°C – 300°C) allows for precise temperature control
- Also comes with a power indicator, a heating indicator, a removable drip tray and a 6' (1829 mm) cord and plug

Accessories

- Waffle Pick - Metal Forks with Plastic Handle

 For operation, location and safety information, please refer to the Installation and Operating Manual.
