Flav-R-Savor® Refrigerated Air Curtain Merchandiser

Models: FS3RAC-2726

The Hatco Flav-R-Savor® Air Curtain Merchandiser is the ultimate solution for showcasing fresh, cold products while driving impulse sales. Designed for high-end merchandising, this sleek countertop unit offers easy accessibility and optimal temperature control. With even air distribution and superior product visibility, it not only preserves product freshness but also enhances the appeal of packaged foods and cold beverages — perfect for boosting profits and elevating foodservice offerings.

Standard features

- Product temperature range between 31°F to 41°F (-1°C to 5°C)
- Simple, intuitive digital controls
- 3500K LED lights on the top, front and sides create balanced lighting that highlights food products and beverages
- Includes one adjustable, removable 13" (330 mm) deep shelf that can be positioned flat or slanted
- Doorless design allows for immediate access to products, prevents the spread of germs, and eliminates the need to wipe down handles and doors
- One swing-out, left-hinged rear door (reversible in the field) allows for loading the unit without blocking customer access
- Sleek black textured exterior with insulated glass end panels
- Uses environmentally friendly R-290 refrigerant
- Equipped with 4" (102 mm) legs
- Comes with a 6' (1829 mm) cord and plug

FS3RAC-2726 with optional Sign Holder

FS3RAC-2726 with standard night shade to conserve energy when not in use.
